

Why Join I.C.M.S.?

At a time when our democratic process stands ready to strip us as motorcyclists and citizens of our rights to ride free and unencumbered, Idaho Coalition for Motorcycle Safety, Inc. offers all motorcyclists the opportunity to join together and fight back. Whether the issue is mandatory helmet use or discrimination against "lifestyle" choice, the I.C.M.S. organization is prepared to mobilize its strengths in the direction of best defense....and one of I.C.M.S.'s greatest strengths is in its membership. I.C.M.S. believes the direction of best defense is through education; from educating its membership on the latest legislative battle to educating legislators and bureaucrats as to "the other half of the story"; to training riders to ride safe.

Joining I.C.M.S. is making a commitment to defend your freedom with involvement. As an I.C.M.S. member, you have the opportunity to attend monthly Board meetings, runs, rallies, and host of other events throughout the year and throughout the state. Many members get actively involved by joining committees, holding office, manning telephones, writing articles for the newsletter of doing any one of the million-and-one things that have to be done. Other members chose to simply give financial support through their membership dues and donations. I.C.M.S. members tend not to be passive.

Some of the other benefits of membership include: membership card, sew on patch, newsletters and membership pin and have a say in how laws affect you.
